Dear Friends,

On behalf of The Children's Home Society of New Jersey and the many at-risk families we serve, I want to thank you for your \$250.00 holiday contribution. Thanks to you, we were able to purchase Christmas gifts for many youngsters who might otherwise not have found anything under the tree this year...boys and girls who needed to know that *someone* cares.

Some may have been infants and toddlers awaiting adoption or youngsters who had been neglected or abused. Some may have been boys or girls who had experienced the loss or death of a family member. And some may simply have been children from struggling families in need of a helping hand.

While you may never meet the boys and girls who received your gifts, you can be sure there were big smiles on their faces this Christmas -- not only because of the presents but also because of the love and the hope that they brought. Thank you again for caring about our children and for being there for them. I wish you all good health and happiness in the year ahead!

Sincerely,

Donna C. Pressma  
President and CEO
