Dear Grace :

Thank you for giving so generously through *The Most Important Gift Catalog in the World!* The strong support you show for our work makes it possible for Heifer International to partner with project families that will use gifts such as yours to transform their lives. Then, through our Cornerstone Passing on the Gift, they share their animal's offspring and training with another family that will use the gifts to transform their lives. It begins a never-ending circle of change.

Excited families around the world are participating in community-building activities and improving their lives with valuable trainings in animal management and sustainable farming. Other families are constructing zero-grazing units to properly care for the animals and care for the Earth, working with biogas stoves, reducing pollution and deforestation, and gaining new skills and confidence to take on even greater challenges.

Sincerely,

Pierre U. Ferrari
President and CEO

Recognition for Heifer International

Heifer International winner of the 2004 Conrad N. Hilton Humanitarian Prize—the world's largest humanitarian award.

bbb.org/charity

Heifer International meets the BBB wise giving Alliance's Standards for Charity Accountability.

How is my gift used?

To help the greatest number of families move toward self-reliance, Heifer does not use its limited resources to track individual animals from donation to distribution to specific families. Instead, your gift supports the entire Heifer mission. We use your gift where it can do the most good by combining it with the gifts of others to help transform entire communities. Heifer's unique community development model has assisted more than 15 million families directly and indirectly since 1944 – more than 79 million men, women and children. In 2011, a total of 1.9 million families were assisted within the four program areas in which Heifer operates. Heifer International is a 501(c)(3) organization.
