Dear Mike, Pastor Dan, Bill and members of Grace United Church of Christ,

On behalf of the Board of Trustees of Family Promise of Hunterdon County, Inc. I would like to thank you for adopting "Family #1" for Christmas.

The family was overwhelmed by your generosity. If not for your kindness, there would have been nothing under the tree this year.

Thank you for making this family's holiday one they will always treasure.

Sincerely yours,

Donna Michelsen  
Director of Network Services
